▲ **NUMBERS-ONLY RECONSTRUCTION — generated from SEC EDGAR filings; not issued by Anthropic, PBC**

About This Document

A **numbers-only reconstruction** of Anthropic, PBC's Form S-1 — filed with the SEC on October 26, 2026 (accession 0001628280-26-067168), built for printed side-by-side comparison with the filed document.

Included: every dollar figure, percentage, ratio, share count, commitment, table row, per-share amount, and stock-plan term present in the filing — in the filing's original section order, with verbatim source quotes and line anchors into the extracted filing text (`sx1_extracted.txt`).

Omitted: all narrative, risk discussion, mission prose, and boilerplate. Withheld values appear as highlighted **[BLANK]** markers.

Page numbering follows the filing's convention: front matter in roman numerals; body in arabic numerals; financial statements and notes as **F-pages**; Part II as **II-pages**.

2009 extracted records · 99.3% quote-verified (REVIEW_STATUS.md) · deterministic cross-foot checks (RECONCILIATION.md). Analyst commentary is confined to RECONCILIATION.md and never appears here.

Not an SEC filing. Not issued or approved by Anthropic, PBC. Verify against EDGAR before relying on any figure.

Amazon 2024 NPA date = November 22, 2024 other (2024-11-22)
"New Convertible Note Purchase Agreement, dated as of November 22, 2024, by and between us and Amazon"

Broadcom equipment lease date = March 2026 other (2026-03)
"an equipment lease with a third-party partner, Broadcom Inc. (Broadcom) in March 2026 to procure specialized"

Infrastructure Partner 2026 NPA note capacity = $42.0 billion $B (2026-2033)
"up to $42.0 billion in aggregate principal amount of convertible promissory notes to Broadcom or, subject to our consent"

Assumed initial public offering price per share = **[BLANK]** per-share (as of 2026-09-30)
"an assumed initial public offering price of $ per share (which is the midpoint of the estimated offering"

Amazon Notes conversion — aggregate shares = **[BLANK]** shares (as of 2026-09-30)
"assuming the conversion of our outstanding convertible promissory notes into an aggregate of shares of our Class N common stock"

Amazon Notes holders' ownership of Class N = **[BLANK]** % (as of 2026-09-30)
"would collectively hold in the aggregate approximately % of our Class N common stock, which"

Amazon Notes holders' share of total common stock = **[BLANK]** % (as of 2026-09-30)
"which represents % of our total outstanding common stock following this offering"

Annual revenue = $41 million, $386 million, $4.6 billion $M|$M|$B (FY2023|FY2024|FY2025)
"In 2023, 2024, and 2025, our revenue was $41 million, $386 million, and $4.6 billion, respectively"

Year-over-year revenue growth = 841%, 1,088% % (FY2024|FY2025)
"representing year-over-year growth rates of 841% and 1,088%, respectively"

Revenue six months ended June 30, 2026 = $16.3 billion $B (6M 2026)
"In the six months ended June 30, 2026, our revenue was $16.3 billion, representing a year-over-year"

Year-over-year revenue growth 6M 2026 = 1,300% % (6M 2026)
"representing a year-over-year growth rate of 1,300%"

Employee headcount growth = approximately 940, approximately 5,300 count (as of 2024-12-31|as of 2026-09-30)
"the number of our employees increased from approximately 940 as of December 31, 2024 to approximately 5,300 as of September 30, 2026"

Revenue three months ended December 31, 2024 = $197 million $M (Q4'24)
"our revenue increased from $197 million for the three months ended December 31, 2024 to"

Revenue three months ended September 30, 2026 = **[BLANK]** $M (Q3'26)
"to $ for the three months ended September 30, 2026"

Net losses = $1.5 billion, $8.3 billion, $42.0 billion, $80.7 billion $B (FY2023|FY2024|FY2025|6M 2026)
"a net loss of $1.5 billion, $8.3 billion, and $42.0 billion for the years ended December 31, 2023, 2024, and 2025"

Change in fair value of convertible notes, derivative liabilities, and SAFEs = $1.0 billion, $5.4 billion, $34.3 billion, $72.4 billion $B (FY2023|FY2024|FY2025|6M 2026)
"change in fair value of convertible notes, derivative liabilities, and SAFEs of $1.0 billion, $5.4 billion, and $34.3 billion"

Aggregate committed spend under purchase commitments and leases = **[BLANK]** $B (as of 2026-09-30)
"with an aggregate committed spend of more than $, which may substantially increase our operating expenses"

RSU service-based condition vesting period = four years years (other)
"The service-based condition for a majority of such RSUs is satisfied over a period of four years"

Cumulative SBC for RSUs if offering completed June 30, 2026 = $2.9 billion $B (as of 2026-06-30)
"we would have recorded $2.9 billion of cumulative stock-based compensation expense related to the RSUs on that date"

Unrecognized SBC related to RSUs = $23.7 billion $B (as of 2026-06-30)
"an additional $23.7 billion of unrecognized stock-based compensation expense related to the RSUs, would be recognized"

Weighted-average recognition period for RSU SBC = approximately 2.1 years years (as of 2026-06-30)
"would be recognized over a weighted-average period of approximately 2.1 years"

Unrecognized SBC other outstanding equity awards = approximately $3.1 billion $B (as of 2026-06-30)
"unrecognized stock-based compensation expense of approximately $3.1 billion related to other outstanding equity awards"

Weighted-average recognition period other equity awards = approximately1.3 years years (as of 2026-06-30)
"which we expect to recognize over a weighted-average period of approximately1.3 years"

Assumed grant-date fair value per share for new RSU grants = **[BLANK]** per-share (2026)
"Assuming a grant-date fair value of $ per share, which is the midpoint of the estimated offering price range"

Expected SBC expense for new RSU grants = **[BLANK]** $B (2026)
"we would expect to record stock-based compensation expense of $billion related to such RSUs"

Weighted-average recognition period for new RSU grants = **[BLANK]** years (2026)
"over a weighted-average period of approximately years, commencing in the quarter in which this offering is"

Run-Rate Revenue consumption-based annualization window = 28-day other (other)
"Run-Rate Revenue annualizes our consumption-based fees for a trailing 28-day period and our subscription-based fees"

Run-Rate Revenue subscription-based annualization window = single month other (other)
"and our subscription-based fees for a single month, it assumes that activity during those measurement periods"

Enterprise customer revenue threshold (TTM) = $100,000 $ (TTM)
"The determination of the number of customers with $100,000 or more of revenue on a TTM basis"

Enterprise adoption spending threshold = $100,000 $ (TTM)
"Because spending $100,000 or more on our products is generally characteristic of organizational rather than individual usage"

EU AI Act entry into force = August 2024 other (2024-08)
"the EU AI Regulation 20241689 (EU AI Act), which came into force in August 2024 and will"

U.S. executive order on voluntary frontier AI framework = June 2026 other (2026-06)
"in June 2026, the U.S. federal government issued an executive order establishing a voluntary framework for developers"

Government agency contracts share of revenue = approximately 1% % (other)
"Revenue from government agency contracts represented, in aggregate, approximately 1% of our revenue in each of the periods"

Presidential directive to cease federal agency use = February 2026 other (2026-02)
"in February 2026, in response to our publicly stated position that our technology should not be used"

Department of War supply-chain risk letters = March 4, 2026, two other (2026-03-04)
"On March 4, 2026, the Department of War sent us two lettersone pursuant to 10 U.S.C."

N.D. Cal. summary judgment in our favor = August 27, 2026 other (2026-08-27)
"on August 27, 2026, obtained an order from the United States District Court for the Northern District of California"

D.C. Circuit denied petition for review = September 25, 2026, 2-1 other (2026-09-25)
"On September 25, 2026, in a 2-1 split decision, the D.C. Circuit Court of Appeals denied our petition"

Commerce Department worldwide export restrictions = June 2026 other (2026-06)
"in June 2026, the U.S. Department of Commerce imposed worldwide export restrictions on our Fable 5 and Mythos 5 models"

2026 Lease Arrangement aggregate rent payments = approximately $125.2 billion $B (2026-2031)

“the rent payments over the five-year equipment lease are equal to an aggregate of approximately $125.2 billion excluding interest”

2026 Lease Arrangement lease term = five-year years (2026-2031)
“under the 2026 Lease Arrangement, the rent payments over the five-year equipment lease are equal to an aggregate”

Restricted account deposit for Broadcom = April 2026 other (2026-04)
“we deposited cash into a restricted account in April 2026 for the benefit of Broadcom to secure compute capacity”

Dedicated power and data center arrangements initial terms = 20 years years (other)
“certain of our dedicated power and data center infrastructure arrangements have initial terms of 20 years with annual”

Founding and first commercial product launch = 2021, first quarter of 2023 other (2021|Q1 2023)
“We were founded in 2021 and launched our first commercial product, Claude, publicly in the first quarter of 2023”

Rapid growth since founding = 2021 other (2021)
“Since 2021, we have experienced rapid growth in our employee headcount, number of customers, geographic”

March 2026 service outage = March 2026 other (2026-03)
“in March 2026, we experienced a service outage and periods of degraded performance resulting from a combination”

Enhanced usage-policy enforcement efforts = August and September 2026 other (2026-08|2026-09)
“the enhancement of such efforts in August and September 2026, and the timing of any resulting restrictions”

Department of War Defense Production Act suggestion = early 2026 other (2026)
“in early 2026, the U.S. Department of War suggested it could invoke the Defense Production Act to compel”

State attorney general injunction request = September 2026 other (2026-09)
“in September 2026, a state attorney general asked a court, in pending litigation alleging harm to minors”

Bartz settlement amount = $1.5 billion $B (2025-2026)
“we reached an agreement to settle a copyright infringement class action, captioned Bartz, et al. v. Anthropic PBC (Bartz), for $1.5 billion, which was approved by the district court in July 2026”

Bartz settlement approval date = July 2026 count (2026)
“for $1.5 billion, which was approved by the district court in July 2026”

Bartz settlement agreement date = September 2025 count (2025)
“in September 2025, we reached an agreement to settle a copyright infringement class action”

Reddit notice of removal date = July 3, 2025 count (2025)
“On July 3, 2025, we filed a notice of removal of the case to federal court”

Reddit remand date = March 30, 2026 count (2026)
“The case was remanded to state court on March 30, 2026”

NIS2 directive number = 20222555 count (2022)
“the EU Network and Information Security Directive 20222555 (NIS2) requires us to notify the competent authorities”

antitrust class action filing date = September 2026 count (2026)
“In September 2026, a putative class action was filed against us and other developers of frontier AI models”

Sherman Act section = Section 1 count (2026)
“in purported violation of Section 1 of the Sherman Act”

treble damages sought = treble damages x (2026)
“The complaint seeks treble damages, injunctive relief, and other relief on behalf of a purported class”

FCPA year = 1977 count (1977)
“the United States Foreign Corrupt Practices Act of 1977”

UK Bribery Act year = 2010 count (2010)
“the United Kingdom Bribery Act 2010”

export restrictions on Fable 5 and Mythos 5 = June 2026 count (2026)
“in June 2026, the U.S. Department of Commerce imposed worldwide export restrictions on our Fable 5 and Mythos 5 models”

DOJ data security final rule effective = April 2025 count (2025)
“the Department of Justice issued a final rule, effective in April 2025, that places limitations”

UK Online Safety Act year = 2023 count (2023)
“the UK Online Safety Act 2023”

global minimum tax rate = 15% % (2026)
“a framework that imposes a 15% global minimum tax, which has been implemented into the domestic laws of some jurisdictions in the EU”

OECD safe harbor announcement date = January 5, 2026 count (2026)
“On January 5, 2026, the OECD announced a side-by-side elective safe harbor”

OECD safe harbor effective fiscal years = beginning on or after January 1, 2026 count (2026)
“exempts electing U.S.-parented multinational entities from certain provisions of the global minimum tax for fiscal years beginning on or after January 1, 2026”

NOL offset limit = 80% % (post-2017)
“U.S. federal NOLs arising in taxable years beginning after December 31, 2017 may be used to offset only 80% of taxable income in any year”

NOL rule effective date = December 31, 2017 count (2017)
“U.S. federal NOLs arising in taxable years beginning after December 31, 2017 may be used to offset only 80% of taxable income”

ownership change threshold shareholders = 5-percent shareholders % (current)
“an ownership change generally occurs if the percentage of a corporations stock (by value) owned by one or more 5-percent shareholders increases by more than 50 percentage points over a rolling three-year period”

ownership change threshold increase = 50 percentage points % (current)
“increases by more than 50 percentage points over a rolling three-year period”

ownership change lookback period = three-year period years (current)
“increases by more than 50 percentage points over a rolling three-year period”

PBC report frequency = biennially years (current)
“we are required, under Section 366 of the Delaware General Corporation Law (DGCL) and pursuant to our amended and restated bylaws, to disclose to stockholders a report at least biennially”

DGCL Section 367 stockholder ownership threshold = at least two percent % (current)
“own the lesser of at least two percent of the corporations outstanding shares or shares of the corporation with a market value of at least $2,000,000”

DGCL Section 367 market value threshold = $2,000,000 $M (current)
“shares of the corporation with a market value of at least $2,000,000 as of the date the action is instituted”

indispensable party jurisdiction consent window = 10 days count (current)
“does not consent to the personal jurisdiction of such court within 10 days following such determination”

board size change approval threshold = 80% % (current)
“the number of directors constituting our board of directors will be permitted to be set only with the approval of 80% of the authorized members of our board of directors”

rounding rule for board approvals = 0.5 count (current)
“rounded up or down to the nearest whole number (any exact 0.5 rounding up)”

amendment voting threshold after Class F Sunset = 66 23% % (post-Class F Sunset)
“following the Class F Sunset Time, 66 23% of the voting power of our Class A common stock will be required to amend certain provisions”

classified board term length = three-year terms years (post-Class F Sunset)
“a classified board of directors consisting of three classes of directors with staggered three-year terms”

preferred stock issuance approval threshold = 80% % (current)
“the issuance and terms of which may be established by 80% of the authorized members of our board of directors”

LTBT trustee count = five count (current)
“the LTBT is intended to operate as an independent body of five financially disinterested Trustees”

Class F voting power = 50.1% % (current)
“Our Class F common stock will be entitled to an aggregate number of votes that equals 50.1% of the total voting power of our outstanding shares of capital stock”

Class F Transition Period trigger = fewer than three Continuing Founders, 90 consecutive calendar days count (current)
“which will commence when there have been fewer than three Continuing Founders … for 90 consecutive calendar days”

co-founders voting power excluding Founder LLC = **[BLANK]** % (at offering)
“our co-founders will collectively hold approximately (i) % of the total voting power of our outstanding capital stock with respect to matters submitted to stockholders generally, excluding through their interests in the Founder LLC”

co-founders voting power including Founder LLC = **[BLANK]** % (at offering)
“and (ii) % of the total voting power of our outstanding capital stock with respect to matters submitted to stockholders generally, including through their interests in the Founder LLC”

Class A authorized shares = 300,000,000,000 shares (at offering)
“authorizes us to issue up to an aggregate of 300,000,000,000 shares of Class A common stock”

Class N authorized shares = 100,000,000,000 shares (at offering)
“100,000,000,000 shares of Class N common stock”

Class T authorized shares = one share shares (at offering)
“one share of Class T common stock, one share of Class F common stock”

Class F authorized shares = one share shares (at offering)
“one share of Class T common stock, one share of Class F common stock”

Class E authorized shares = 30,000,000,000 shares (at offering)
“30,000,000,000 shares of Class E common stock”

preferred stock authorized shares = 30,000,000,000 shares (at offering)

“30,000,000,000 shares of preferred stock”

Amazon and Google ownership threshold = greater than five percent % (at offering)
“Amazon and Google will each hold greater than five percent of our outstanding capital stock”

Class N shares outstanding pre-offering = **[BLANK]** shares (at offering)
“Immediately prior to the completion of this offering, after giving effect to the Preferred Stock Conversion and the Convertible Notes Conversion, we will have shares of Class N common stock outstanding”

Class N percent of capital stock pre-offering = **[BLANK]** % (at offering)
“representing approximately % of our outstanding capital stock prior to this offering”

Class N percent of capital stock post-offering = **[BLANK]** % (at offering)
“and approximately % of our outstanding capital stock following the completion of this offering”

Amazon Class N holdings = **[BLANK]** shares (at offering)
“Amazon will hold shares of our Class N common stock and Google will hold shares of our Class N common stock”

Google Class N holdings = **[BLANK]** shares (at offering)
“Google will hold shares of our Class N common stock”

additional Class N shares issuable post-offering = **[BLANK]** shares (at offering)
“An aggregate of an additional shares of Class N common stock will be issuable after this offering upon conversion of remaining outstanding convertible promissory notes, all of which are held by Amazon”

Class N conversion ratio = an equal number of shares x (current)
“The shares of Class N common stock will automatically convert into an equal number of shares of Class A common stock upon a transfer”

Class A votes per share = one vote per share per-share (current)
“the resulting shares of Class A common stock will be entitled to one vote per share”

example Class A issuance = 1,000,000 shares (current)
“if we were to issue 1,000,000 additional shares of Class A common stock, our Class F common stock would automatically be entitled to an incremental number of votes”

example incremental Class F votes = 1,004,008 count (current)
“or approximately 1,004,008 additional votes”

Class F fixed voting power = 50.1% % (current)
“our Class F common stock is entitled to a fixed 50.1% of the total voting power of our outstanding shares of capital stock”

share count as-of date = September 30, 2026 count (as of 2026-09-30)
“shares of Class N common stock outstanding as of September 30, 2026 (after giving effect to the Preferred Stock Conversion, Convertible Notes Conversion, Initial Public Benefit Issuance, and RSU Settlement)”

total Class A shares outstanding post-offering = **[BLANK]** shares (as of 2026-09-30)
“we will have a total of shares of Class A common stock outstanding and shares of Class N common stock outstanding”

total Class N shares outstanding post-offering = **[BLANK]** shares (as of 2026-09-30)
“and shares of Class N common stock outstanding”

lock-up threshold for extended holders = more than 0.5% % (at offering)
“our stockholders holding more than 0.5% of our fully diluted shares prior to this offering”

extended lock-up expiration (financial results) = 600 AM Eastern Time on the second full trading day immediately following the public release of our quarterly financial results for the fiscal quarter ending September 30, 2027 count (2027)
“on the earlier of (A) 600 AM Eastern Time on the second full trading day immediately following the public release of our quarterly financial results for the fiscal quarter ending September 30, 2027”

extended lock-up expiration (days) = 365th day count (at offering)
“(B) immediately after the close of the trading day on the 365th day after the date of this prospectus”

standard lock-up expiration (financial results) = fiscal quarter ending March 31, 2027 count (2027)
“the public release of our quarterly financial results for the fiscal quarter ending March 31, 2027”

standard lock-up expiration (days) = 180th day count (at offering)
“the close of the trading day on the 180th day after the date of this prospectus”

IRA date = May 28, 2026 count (2026)
“our amended and restated investors rights agreement, dated as of May 28, 2026 (our IRA)”

demand registration rights shares = **[BLANK]** shares (at offering)
“stockholders owning an aggregate of up to shares of our Class A common stock (including those issuable upon conversion of our Class N common stock) will be entitled, under our IRA, to demand registration rights”

co-founders philanthropic pledge = 80% % (current)
“our co-founders have each pledged to dedicate 80% of their personal equity in Anthropic to philanthropic causes”

Nasdaq listing symbol = ANT count (at offering)
“We have applied to list our Class A common stock on the Nasdaq Global Select Market under the symbol ANT”

Sarbanes-Oxley Section 404 compliance timing = second annual report on Form 10-K count (future)
“commencing with our second annual report on Form 10-K”

BLS wage data year = 2025 count (2025)
“Based on wage data for U.S. workers by occupation classification from the U.S. Bureau of Labor Statistics in 2025”

global GDP reference year = 2025 count (2025)
“based on 2025 global GDP, we estimate a 2025 global wages figure”

IDC Economic Impact AI edition year = 2026 count (2026)
“IDC, The Economic Impact of AI 2026 Edition, doc # US54452226, April 2026”

IDC developer population forecast period = 20252029 years (2025-2029)

FV change quarterly footnote = $5.7 billion, $5.2 billion, $9.2 billion, $14.2 billion, $12.8 billion, $59.6 billion $B (Q1'25-Q2'26)
"which were $5.7 billion, $5.2 billion, $9.2 billion, $14.2 billion, $12.8 billion, and $59.6 billion"

Cash and cash equivalents June 30 2026 = $112.4 billion $B (Q2'26)
"we had cash and cash equivalents of $112.4 billion, $19.3 billion of short-term investments"

Short-term investments June 30 2026 = $19.3 billion $B (Q2'26)
"$19.3 billion of short-term investments, and $3.2 billion available under the Credit Facility"

Credit Facility availability June 30 2026 = $3.2 billion $B (Q2'26)
"and $3.2 billion available under the Credit Facility, as described below"

Accumulated deficit = $132.9 billion $B (Q2'26)
"as reflected in our accumulated deficit of $132.9 billion"

Accumulated deficit from FV changes = $113.2 billion $B (Q2'26)
"which includes $113.2 billion related to changes in the fair value of our convertible notes"

FV change 6M 2026 in accumulated deficit = $72.4 billion $B (Q2'26)
"including $72.4 billion during the six months ended June30, 2026"

Initial Credit Facility size = $2.5 billion $B (Q2'26)
"initially provided for a $2.5 billion senior secured revolving credit facility with a $400 million letter of credit sublimit"

Letter of credit sublimit = $400 million $M (Q2'26)
"with a $400 million letter of credit sublimit (the Initial Credit Facility)"

Credit Facility amendment Sept 2025 = $2.75 billion $B (Q3'25)
"we amended the Initial Credit Facility to increase the aggregate revolving commitments to $2.75 billion"

Credit Facility amendment Nov 2025 = $3.25 billion $B (Q4'25)
"we further amended the Initial Credit Facility to increase the aggregate revolving commitments to $3.25 billion"

Standby letters of credit outstanding = $78 million $M (Q2'26)
"we had no borrowings drawn under the Credit Facility and $78 million of standby letters of credit outstanding"

AR Credit Facility size = $15 billion $B (Q3'26)
"provide for a $15 billion senior secured revolving credit facility with the full amount thereof available for letters of credit"

AR Credit Facility maturity = September 4, 2031 years (Q3'26)
"The AR Credit Facility will mature on September 4, 2031, subject to earlier springing maturity"

Springing maturity threshold = $500 million $M (Q3'26)
"if more than $500 million in aggregate scheduled cash principal payments on certain of our indebtedness are required"

Springing maturity lookback period = 91-day count (Q3'26)
"within the 91-day period preceding the date on which any such scheduled principal payment is due"

Compute procurement lead time = 12 to 18 months years (Q3'26)
"multi-year commitments that we typically procure 12 to 18 months in advance of availability"

Chip families count = four count (Q3'26)
"We train and serve Claude natively across four major chip families (AWS Trainium, Google TPUs, NVIDIA GPUs, and AMD GPUs)"

AR Credit Facility minimum liquidity covenant = $5.0 billion $B (quarterly beginning FY2026 Q4)
"financial covenant requiring that we maintain liquidity of at least $5.0 billion as of the last day of each fiscal quarter, beginning with the fiscal quarter ending December 31, 2026"

AMD commitment to purchase Class N stock = $5.0 billion $B (2026-2033)
"AMD has provided a commitment to purchase up to $5.0 billion of our Class N common stock"

AMD draw request window = 12 months years (post-offering)
"we must make any draw request within 12 months following the final delivery and deployment of AMD GPU capacity"

Amazon outstanding convertible notes aggregate = approximately $6.2 billion $B (as of 2026-06-30)
"approximately $6.2 billion aggregate principal amount of which remains outstanding as described below under Outstanding Notes"

Amazon ownership cap = 12% % (as of 2026-06-30)
"Amazon would hold more than 12% of our capitalization, calculated for this purpose to include all of our outstanding capital stock"

Item	Counterparty	Agreement	Principal Amount Outstanding (in millions)	Conversion Price Per Share(1)	Class N Shares Issuable on Conversion(2)

“Claudes success rate on these problems reached approximately 90% in September 2026”

success rate improvement = approximately 50 percentage points % (2026)
“up approximately 50 percentage points in nine months, based on our internal benchmarks”

code volume per engineer multiple = over 45 times x (Q3'26)
“was over 45 times the average daily volume in the year ended December 31, 2024”

codebase contributions written by Claude = Over 90% % (2026-09)
“Over 90% of the contributions to our codebase in September 2026 were written by Claude”

headcount growth multiple = over five times x (2024-12-31 to 2026-09-30)
“our headcount grew over five times, while our revenue for the three months ended September 30, 2026”

revenue multiple vs Q4'24 = 86 times x (Q3'26)
“was 86 times our revenue for the three months ended December 31, 2024”

internal Claude usage growth = over 250 times x (2026-01 to 2026-09)
“has grown by over 250 times from January 2026 to September 2026”

knowledge worker economic value = more than $40 trillion $B (FY2025)
“represented more than $40 trillion in economic value globally in 2025”

IDC cumulative global economic impact of AI = $22.5 trillion $B (by 2031)
“yield a cumulative global economic impact of $22.5 trillion by 2031”

IT spend 2006 = approximately $1.2 trillion $B (FY2006)
“information technology spend grew from approximately $1.2 trillion in 2006 to $4.3 trillion in 2025”

IT spend 2025 = $4.3 trillion $B (FY2025)
“to $4.3 trillion in 2025, a CAGR of approximately 7%”

IT spend CAGR = approximately 7% % (2006-2025)
“a CAGR of approximately 7%, as cloud computing spend grew from zero to $1.9 trillion”

cloud computing spend 2025 = $1.9 trillion $B (FY2025)
“cloud computing spend grew from zero to $1.9 trillion over the same period”

global GDP 2000 = approximately $34 trillion $B (FY2000)
“Global GDP grew from approximately $34 trillion in 2000 to more than $118 trillion in 2025”

global GDP 2025 = more than $118 trillion $B (FY2025)
“to more than $118 trillion in 2025 according to the World Bank, more than tripling”

top 10 tech companies revenue start = $68 billion $B (FY2000)
“grew their aggregate revenue from $68 billion to more than $2.5 trillion”

top 10 tech companies revenue end = more than $2.5 trillion $B (as of 2026-09-30)
“aggregate revenue from $68 billion to more than $2.5 trillion, an increase of approximately 38 times”

top 10 tech revenue increase multiple = approximately 38 times x (2000-2026)
“an increase of approximately 38 times, or approximately 11 times the rate of global GDP growth”

top 10 tech revenue growth vs GDP = approximately 11 times x (2000-2026)
“approximately 11 times the rate of global GDP growth”

global pharmaceutical spend 2026 = exceed $2 trillion $B (FY2026)
“annual global pharmaceutical spend is expected to exceed $2 trillion in 2026”

ExploitBench Opus 4.8 = 40% % (2026)
“increasing from 40% with Opus 4.8, to 78% with Claude Mythos 5”

ExploitBench Mythos 5 = 78% % (2026)
“to 78% with Claude Mythos 5, and to 91% with Opus 5.5”

ExploitBench Opus 5.5 = 91% % (2026)
“and to 91% with Opus 5.5 over a period of approximately four months”

knowledge worker population 2028 = exceed one billion count (FY2028)
“a population that is estimated to exceed one billion in 2028”

Claude Partner Network initial commitment = $100 million $M (FY2026)
“committing an initial $100 million in 2026 to fund partner training, technical certification”

Claude Partner Network practitioners = over 150,000 count (as of 2026-09-30)
“this network comprises over 150,000 practitioners across over 4,000 organizations”

Claude Partner Network organizations = over 4,000 count (as of 2026-09-30)
“across over 4,000 organizations who have received certifications”

Claude Frontier Academy commitment = $100 million $M (2026-10)
“backed by a $100 million commitment, to address a key constraint on enterprise AI adoption”

Academy engineers target = 10,000 count (by end of 2027)
“We aim to train 10,000 engineers through the Academy by the end of 2027”

Fortune 10 penetration = every company in the Fortune 10 count (as of 2026-09-30)
“included every company in the Fortune 10, over 50% of the Fortune 500”

Fortune 500 penetration = over 50% % (as of 2026-09-30)
“over 50% of the Fortune 500, and over 30% of the Global 2000”

Global 2000 penetration = over 30% % (as of 2026-09-30)
“and over 30% of the Global 2000”

customers $100k+ growth from = more than 950 count (as of 2025-09-30)
“grown customers with $100,000 or more of revenue on a TTM basis from more than 950 to more than 11,900”

Run-Rate Revenue Oct 31 2026 = **[BLANK]** $M (as of 2026-10-31)
“our Run-Rate Revenue was $ as of October 31, 2026”

Claude Enterprise non-Code users monthly spend = less than $75 per month per-share (Q3'26)
“spent less than $75 per month on average, while the top 5% of Claude Enterprise users”

top 5% Claude Code users spend multiple = approximately 20 times x (Q3'26)
“the top 5% of Claude Enterprise users who used Claude Code spent approximately 20 times that amount”

Fable 5.1 cost reduction = approximately 25% % (2026-09)
“we reduced the cost of typical workloads by approximately 25% compared to Fable 5”

Fable 5.1 complex coding savings = up to 45% % (2026-09)
“with savings of up to 45% for complex coding and highly agentic tasks”

Opus 5.5 cost per task reduction = approximately 40% % (2026-09)
“we reduced customers cost per task by approximately 40% compared to Opus 5”

QoQ revenue growth Q4'25 = 48% % (Q4'25)
“accelerated from 48% for the three months ended December 31, 2025 to 132%”

QoQ revenue growth Q1'26 = 132% % (Q1'26)
“to 132% for the three months ended March 31, 2026”

employees = approximately 5,300 count (as of 2026-09-30)
“As of September 30, 2026, with approximately 5,300 employees, our TTM revenue per employee was over $6.6 million”

other operating expenses growth = 741% % (Q2'26)
“Other operating expenses increased 741%”

regrettable attrition = approximately 1% % (TTM ended 2026-09-30)
“approximately 1% regrettable attrition of our employee base overall in the TTM period ended September 30, 2026”

external reviewer investment with Accenture = at least $1 billion $B (next five years)
“we currently anticipate investing at least $1 billion over the next five years to build external reviewer capacity with Accenture”

Project Glasswing cyberdefense commitment = up to $100 million $M (2026)
“We have committed up to $100 million in cyberdefense-related initiatives through Project Glasswing”

Initial Public Benefit Issuance shares = 846,840,960 shares (as of 2026-06-30)
“we contributed 846,840,960 shares of our Class N common stock, representing 5% of our fully diluted shares”

Public Benefit Issuance share of fully diluted = 5% % (as of 2026-06-30)
“representing 5% of our fully diluted shares as of June 30, 2026 (assuming full conversion of the Amazon Notes)”

additional Public Benefit Issuance cap = up to an additional 2% % (post-offering)
“representing up to an additional 2% of our then-outstanding shares (plus any shares subject to options, RSUs”

share price milestone appreciation = 50% % (post-offering)
“each time our share price appreciates 50% above the prior share price milestone”

milestone trailing trading days = at least 90 of the trailing 120 consecutive trading days count (post-offering)
“exceeded the applicable threshold on at least 90 of the trailing 120 consecutive trading days”

milestone average closing days = ten trading days count (post-offering)
“our average closing share price over the ten trading days prior to such issuance also exceeds that threshold”

co-founder philanthropy pledge = 80% % (post-offering)
“our co-founders have each pledged to dedicate 80% of their personal equity in Anthropic to philanthropic causes”

issued U.S. patents = 40 count (as of 2026-09-30)
“we held 40 issued U.S. patents, with an additional 67 U.S. patent applications pending”

U.S. patent applications pending = 67 count (as of 2026-09-30)
“an additional 67 U.S. patent applications pending (including 32 nonprovisional and 35 provisional)”

nonprovisional applications = 32 count (as of 2026-09-30)
“including 32 nonprovisional and 35 provisional”

provisional applications = 35 count (as of 2026-09-30)
“32 nonprovisional and 35 provisional”

foreign issued patents = 26 count (as of 2026-09-30)
“26 issued patents in foreign jurisdictions, with an additional 12 patent applications pending”

foreign patent applications pending = 12 count (as of 2026-09-30)
“an additional 12 patent applications pending”

U.S. registered trademarks = 29 count (as of 2026-09-30)
“we held 29 registered trademarks in the United States, with an additional 11 applications pending”

U.S. trademark applications pending = 11 count (as of 2026-09-30)
“with an additional 11 applications pending”

foreign registered trademarks = 237 count (as of 2026-09-30)
“237 registered trademarks in foreign jurisdictions, with an additional 261 applications pending”

foreign trademark applications pending = 261 count (as of 2026-09-30)
“with an additional 261 applications pending”

Bartz settlement amount = $1.5 billion $B (2025-09)
“we entered into a settlement agreement with the plaintiffs to settle the case for $1.5 billion, which was approved by the district court in July 2026”

D.C. Circuit split decision = 2-1 count (2026-09-25)
“On September 25, 2026, in a 2-1 split decision, the D.C. Circuit Court of Appeals denied our petition for review”

payment to LTBT FY2023 = $2,716,750 $M (FY2023)
“we paid $2,716,750, $0, and $906,089, respectively, to the LTBT”

payment to LTBT FY2024 = $0 $M (FY2024)
“$2,716,750, $0, and $906,089, respectively, to the LTBT”

payment to LTBT FY2025 = $906,089 $M (FY2025)
“and $906,089, respectively, to the LTBT”

payment to LTBT 9M 2026 = $8,425,213 $M (9M 2026)
“During the nine months ended September 30, 2026, we paid $8,425,213 to the LTBT”

Trustee annual compensation = $400,000 $M (annual)
“Each Trustee receives annual cash compensation of $400,000 for their service as a Trustee”

LTBT Chair compensation = $25,000 $M (annual)
“Dr. Shah receives annual cash compensation of $25,000 for his service as the Chair of the LTBT”

CNAS charitable donation = $450,000 $M (2026-08)
“we made a $450,000 charitable donation to CNAS, of which Mr. Fontaine is the Chief Executive Officer”

Class F voting power = 50.1% % (post-offering)
“entitled to an aggregate number of votes that equals 50.1% of the total voting power of our outstanding shares of capital stock”

Class F transition trigger days = 90 consecutive calendar days count (post-offering)
“for 90 consecutive calendar days, a 450-day transition period will commence”

Class F Transition Period length = 450-day count (post-offering)
“a 450-day transition period will commence (the Class F Transition Period)”

Continuing Founder minimum ownership = at least 2% % (post-offering)
“equal to at least 2% of the shares of Class A common stock held by such original co-founder”

NGC notice period = at least 30 days count (post-offering)
“must provide at least 30 days notice to our NGC, which notice period is waivable”

NGC concurrence window = 15 days count (post-offering)
“within 15 days of receiving notice, the matter will be submitted to a vote of the holders of our Class E common stock”

removal for cause notice = 30 calendar days count (post-offering)
“agreed to provide 30 calendar days notice to the other stockholder and the NGC prior to effecting a removal”

Trust Amendment Threshold trustees voting = 80% % (post-offering)
“upon approval of 80% of the authorized members of our board of directors and 80% of the Trustees then in office”

Trust Amendment Class E quorum early = 40% % (post-offering)
“subject to a quorum of 40% of the outstanding Class E common stock”

Trust Amendment Class F supermajority = 66 23% % (post-offering)
“acting by decision of 66 23% of the Continuing Founders (rounded up to the nearest whole number)”

Trust Amendment Class E threshold later = 75% % (post-offering)
“75% of the votes cast by our Class E common stock (subject to a quorum of a majority of outstanding Class E common stock)”

Trust Amendment no Class F threshold = 85% % (post-offering)
“upon approval of 85% of our outstanding shares of Class A common stock”

LTBT Trustees count = five count (current)
“The LTBT is governed by five Trustees”

Trustee seats vacant = one is currently vacant count (current)
“Of the five authorized seats for Trustees, one is currently vacant”

Class E issuance per six months employment = one share of Class E common stock for each six months of employment shares (post-offering)
“one share of Class E common stock for each six months of employment completed with us”

Class E issuance per pledged share = one share of Class E common stock for each share of Class A common stock that such employee has pledged shares (post-offering)
“one share of Class E common stock for each share of Class A common stock that such employee has pledged to donate”

Class E redemption rate post-separation = one-half of such employees then-outstanding shares of Class E common stock will be automatically redeemed by us annually shares (post-offering)
“one-half of such employees then-outstanding shares of Class E common stock will be automatically redeemed by us annually”

Prompt caching cost reduction = up to approximately 97% % (current)
“reducing cost by up to approximately 97% and latency by approximately 60% for long prompts”

Prompt caching latency reduction = approximately 60% % (current)
“and latency by approximately 60% for long prompts, compared with processing the same requests without caching”

Prompt caching duration = up to one hour count (current)
“Large, reused prompt components can be cached for up to one hour”

Claude Science databases = more than 60 scientific databases count (current)
“Claude Science queries more than 60 scientific databases to complete it end-to-end”

Enterprise Frontier Safeguards customers = more than 100 customers count (2026-09)
“We developed Enterprise Frontier Safeguards with more than 100 customers in industries including financial services”

vertical solutions launched = seven count (current)
“To date, we have launched seven vertical solutions”

co-founders count = seven count (current)
“All seven of Anthropics co-founders remain active leaders in the organization”

Claude for Teachers states covered = all 50 states count (current)
“mapped to academic standards in all 50 states”

multilingual study participants = more than 80,000 count (current)
“in which more than 80,000 people shared in depth how they see AI shaping their lives”

MCP introduced = November 2024 count (2024-11)
“MCP is an open standard we introduced in November 2024 and donated to the Linux Foundations Agentic AI Foundation in December 2025”

Coefficient Bio acquisition = April 2026 count (2026-04)
“in April 2026, we completed the acquisition of Coefficient Bio, Inc., a computational biology company”

export restrictions on Fable 5 and Mythos 5 = June 2026 count (2026-06)
“in June 2026, the U.S. Department of Commerce imposed worldwide export restrictions on our Fable 5 and Mythos 5 models”

state AG letter date = September 24, 2026 count (2026-09-24)
“on September 24, 2026, state attorneys general in New York and New Jersey”

Class E quorum for LTBT amendment early = 40% % (post-offering)
“a majority of the votes cast by our Class E common stock (subject to a quorum of 40% of our outstanding Class E common stock)”

Class E quorum for Specified Class T Director vote = majority of outstanding shares of Class E common stock % (post-offering)
“quorum will require the presence, in person or by proxy, of a majority of outstanding shares of Class E common stock”

Trustee appointment notice = at least 30 days prior written notice count (current)
“the LTBT must provide at least 30 days prior written notice to our NGC before effecting any such appointment or removal”

Trustee terms = annual terms years (current)
“Trustees will serve annual terms, and there is no limit to the number of terms a Trustee may serve”

Dr. Shah LTBT Chair since = June 2023 years (2023-06)
“Dr. Neil Buddy Shah has served as a Trustee and Chair of the LTBT since June 2023”

Fontaine Trustee since = April 2025 years (2025-04)
“Richard Fontaine has served as a Trustee since April 2025”

Bernanke Trustee since = June 2026 years (2026-06)
“Dr. Ben S. Bernanke has served as a Trustee since June 2026”

Stubbs Trustee since = October 2026 years (2026-10)
“Dr. Christopher Stubbs has served as a Trustee since October 2026”

Bernanke Fed Chairman term = February 2006 to January 2014 years (2006-2014)
“served as Chairman of the Board of Governors of the Federal Reserve System from February 2006 to January 2014”

Bernanke Nobel Prize = 2022 count (2022)
“Dr. Bernanke was awarded the Nobel Prize in Economics in 2022”

Stubbs Harvard faculty since = 2003 years (2003)
“where he has been a member of the faculty since 2003”

Fontaine CNAS CEO since = February 2019 years (2019-02)
“has served as Chief Executive Officer of the Center for a New American Security (CNAS), a bipartisan national security research institution, since February 2019”

Shah CHAI CEO since = June 2022 years (2022-06)
“has served as Chief Executive Officer of the Clinton Health Access Initiative (CHAI), a global health organization focused on improving access to health services in low- and middle-income countries, since June 2022”

successor member admission window = tenth anniversary of the completion of this offering years (post-offering)
“until the tenth anniversary of the completion of this offering”

Class F sunset trigger fewer founders = fewer than three Continuing Founders count (post-offering)
“when there have been fewer than three Continuing Founders (not including any successor member who is a Non-Qualifying Member”

Class T sunset no automatic trigger = does not occur automatically upon the lapse of time count (post-offering)
“The Class T Sunset Time does not occur automatically upon the lapse of time or the occurrence of specific events”

successor member during first ten years = first ten years years (post-offering)
“If a Continuing Founder is removed due to death or incapacity during the first ten years following the completion of this offering”

Claude Cowork research preview = January 2026 count (2026-01)
“which we made available as a research preview in January 2026, outpaced the adoption that Claude Code achieved”

Claude Code research preview = February 2025 count (2025-02)
“at the equivalent point following its research preview release in February 2025”

Mythos initial release = April 2026 count (2026-04)
“in April 2026, we initially released our frontier model, Mythos, as a gated research preview through Project Glasswing”

Fable 5 GA and Mythos 5 = June 2026 count (2026-06)
“made Fable 5 generally available and offered Mythos 5 to Project Glasswing participants in June 2026”

Mythos 5.1 and Fable 5.1 release = September 2026 count (2026-09)
“released Mythos 5.1 and Fable 5.1 in September 2026”

Opus 4.5 launch = November 2025 count (2025-11)
“we launched Opus 4.5 in November 2025 with greater capabilities and a lower price”

Responsible Scaling Policy first version = September 2023 count (2023-09)
“After we published the first version of our Responsible Scaling Policy in September 2023, two other leading frontier AI labs adopted similar frameworks within months”

Claude Partner Network launch = March 2026 count (2026-03)
“in March 2026, we launched the Claude Partner Network”

Claude Frontier Academy launch = October 2026 count (2026-10)
“In October 2026, we launched the Claude Frontier Academy (the Academy), backed by a $100 million commitment”

Ode with Anthropic launch = recently launched count (2026)
“We recently launched Ode with Anthropic, an AI services company, in partnership with leading private equity firms”

Bartz suit filed = August 2024 count (2024-08)
“in August 2024, a group of authors filed suit against us claiming infringement of copyrighted books in Bartz”

Bartz settlement approved = July 2026 count (2026-07)
“which was approved by the district court in July 2026”

summary judgment in our favor = August 27, 2026 count (2026-08-27)
“on August 27, 2026, obtained an order from the United States District Court for the Northern District of California that largely granted summary judgment in our favor”

Department of War letters = March 4, 2026 count (2026-03-04)
“On March 4, 2026, the Department of War sent us two letters”

Section 4713 designation = Section 4713 of the FASCSA count (2026-03)
“the other pursuant to Section 4713 of the FASCSAasserting that our models, platform, and applications present a supply-chain risk”

Section 3252 designation = 10 U.S.C. 3252 count (2026-03)
“one pursuant to 10 U.S.C. 3252 and the other pursuant to Section 4713 of the FASCSA”

DGCL Section 366(b) statement = Section 366(b) of the DGCL count (current)
“As required by Section 366(b) of the DGCL, we will provide our stockholders no less than biennially with a statement”

PBC statement frequency = no less than biennially years (current)
“we will provide our stockholders no less than biennially with a statement assessing our promotion of the Company Purpose”

Anthropic founded = 2021 years (2021)
“Anthropic was founded in 2021 by a team of researchers responsible for many of the breakthroughs that define AI”

co-founders founded Anthropic = January 2021 count (2021-01)
“Our seven co-founders co-founded Anthropic in January 2021”

Claude commercial launch = first quarter of 2023 count (Q1'23)
“revenue growing from $0 at commercial launch in the first quarter of 2023”

revenue at commercial launch = $0 $M (Q1'23)
“revenue growing from $0 at commercial launch in the first quarter of 2023”

first data center operational = this year count (2026)
“Our first data center facility became operational this year”

2026 Lease Arrangement = 2026 Lease Arrangement count (2026)
“through master equipment leases, including the 2026 Lease Arrangement, pursuant to which we receive such hardware”

Fluidstack colocation agreement = Fluidstack USA I Inc. (Fluidstack) count (current)
“we have entered into a colocation and services agreement with Fluidstack USA I Inc. (Fluidstack)”

data center leases in Australia and Canada = Australia and Canada count (current)
“We have also entered into leases for data center capacity in Australia and Canada”

committed billions to U.S. computing = billions $B (current)
“have committed billions towards expanding U.S. computing infrastructure”

Class E redemption upon no Class F = no Class F common stock remains outstanding count (post-offering)
“All shares of Class E common stock will also be automatically redeemed at such time as no Class F common stock remains outstanding”

Class E redemption consideration = no consideration count (post-offering)
“Any redemption of Class E common stock will be made for no consideration”

Class T redemption consideration = no consideration count (post-offering)
“our Class T common stock may be redeemed by us for no consideration upon approval of persons comprising the above thresholds”

Class F redemption consideration = no consideration count (post-offering)
“all of our Class F common stock and Class E common stock then issued and outstanding will be redeemed by us for no consideration”

Class F Transition Period completion trigger = fewer than three Continuing Founders for 90 consecutive calendar days count (post-offering)
“commences when there have been fewer than three Continuing Founders (not including any successor member who is a Non-Qualifying Member as defined in the Founder LLC Agreement) for 90 consecutive calendar days”

Class F single share issued = a single share of Class F common stock shares (post-offering)
“we will issue a single share of Class F common stock, a special class of our common stock, to the Founder LLC”

Class E quorum for amendment early = 40% of our outstanding Class E common stock % (post-offering)
“subject to a quorum of 40% of our outstanding Class E common stock”

Class E quorum for amendment later = majority of outstanding Class E common stock % (post-offering)
“subject to a quorum of a majority of outstanding Class E common stock”

Trust Amendment third anniversary = third anniversary of the completion of this offering years (post-offering)
“until the third anniversary of the completion of this offering, upon approval by (i) our Class F common stock acting pursuant to the unanimous approval of the Continuing Founders”

Trustee removal notice = at least 30 days prior written notice count (current)

"provided that the LTBT must provide at least 30 days prior written notice to our NGC before effecting any such appointment or removal"

Trustees removal vote = majority vote of the total number of authorized Trustees count (current)
"to remove the Trustees by majority vote of the total number of authorized Trustees or by the unanimous approval of the other Trustees then in office"

Trustee compensation limit = reasonable cash amount fixed annually $M (annual)
"The Trust Agreement limits Trustee compensation to a reasonable cash amount fixed annually by the Trustees"

Trustee securities prohibition = prohibit a Trustee from directly purchasing or holding any of our securities count (current)
"The policies of the LTBT prohibit a Trustee from directly purchasing or holding any of our securities"

LTBT VIE accounting = consolidated variable interest entity (VIE) count (current)
"The LTBT is accounted for as a consolidated variable interest entity (VIE) on our balance sheet"

Initial Public Benefit Issuance managers = Dario Amodei, Daniela Amodei, Jack Clark, and Dr. Neil Buddy Shah count (current)
"The initial managers are Dario Amodei, Daniela Amodei, Jack Clark, and Dr. Neil Buddy Shah"

donation matching program = match those donations with shares of our Class N common stock shares (current)
"we match those donations with shares of our Class N common stock"

co-founder pledge separate from matching = 80% of their personal equity % (current)
"our co-founders have each pledged to dedicate 80% of their personal equity in Anthropic to philanthropic causes, separate from and not eligible for our donation matching program"

Class E voting matters = nomination or proposed removal of the Specified Class T Director count (post-offering)
"the nomination or proposed removal of the Specified Class T Director or a change in the director designated as the Specified Class T Director"

Class E approval for Specified Class T Director = majority of votes cast by our Class E common stock % (post-offering)
"the requisite approval of our Class E common stock will require a majority of votes cast by our Class E common stock"

Class E approval for LTBT amendment early = majority of the votes cast by our Class E common stock % (post-offering)
"a majority of the votes cast by our Class E common stock (subject to a quorum of 40% of our outstanding Class E common stock)"

Class E approval for LTBT amendment later = 75% of the votes cast by our Class E common stock % (post-offering)
"75% of the votes cast by our Class E common stock (subject to a quorum of a majority of outstanding Class E common stock)"

Class E co-founder exclusion = Our co-founders will not receive any shares of Class E common stock shares (post-offering)
"Our co-founders will not receive any shares of Class E common stock"

Class E successor voting restriction = will not be able to vote any Class E common stock they hold during the period of such service shares (post-offering)
"they will not be able to vote any Class E common stock they hold during the period of such service"

Class E redemption upon death or incapacity = all of such employees shares will be automatically redeemed upon such employees death, incapacity, termination for cause, or commencement of service with a direct competitor shares (post-offering)
"all of such employees shares will be automatically redeemed upon such employees death, incapacity, termination for cause, or commencement of service with a direct competitor"

Class T directors majority = a majority of the authorized members of our board of directors count (post-offering)
"the LTBT generally has the authority to elect and remove the Class T directors, who together will constitute a majority of the authorized members of our board of directors"

NGC composition post-offering = one Class T director and two directors who are not Class T directors count (post-offering)
"our NGC will be composed of one Class T director and two directors who are not Class T directors and will act by majority vote"

Class E vote for Specified Class T Director quorum = majority of our outstanding Class E common stock % (post-offering)
"subject to a quorum of a majority of our outstanding Class E common stock"

Class E vote for Specified Class T Director approval = majority of the votes cast by our Class E common stock % (post-offering)
"approval of the LTBTs proposal will require a majority of the votes cast by our Class E common stock"

Class T no economic rights = Class T common stock has no economic rights count (post-offering)
"Class T common stock has no economic rights"

Class T voting rights = no voting rights with respect to matters submitted to stockholders generally count (post-offering)
"The share of our Class T common stock has no voting rights with respect to matters submitted to stockholders generally"

Class F voting power post sunset = 50.1% of the total voting power % (post-offering)
"Because our Class F common stock is entitled to an aggregate number of votes equal to 50.1% of the total voting power of our outstanding shares of capital stock"

Class F sunset trigger dissolution = upon the dissolution of the Founder LLC count (post-offering)
"including due to the redemption of our Class F common stock agreed to by a Supermajority of the Continuing Founders or upon the dissolution of the Founder LLC"

Class F sunset trigger transition period = the completion of the Class F Transition Period count (post-offering)
"and (ii) the completion of the Class F Transition Period"

Class F removal for cause = specified competitive activities described in the Founder LLC Agreement count (post-offering)
"which includes specified competitive activities described in the Founder LLC Agreement"

Class F successor member tenth anniversary = the tenth anniversary of the completion of this offering years (post-offering)
"the tenth anniversary of the completion of this offering or (vi) with respect to each of our seven original co-founders"

Class F leave of absence Supermajority = a Supermajority of the other Continuing Founders count (post-offering)
"the commencement of a leave of absence approved by a Supermajority of the other Continuing Founders"

Class F one vote per Continuing Founder = Each Continuing Founder will be entitled to one vote count (post-offering)
"Each Continuing Founder will be entitled to one vote when determining how our Class F common stock will be voted"

Class F proportional voting fallback = voted proportionately with the votes of our Class A common stock count (post-offering)
"our Class F common stock will generally be voted proportionately with the votes of our Class A common stock cast on the matter"

Class F quorum = majority of outstanding Class A common stock % (post-offering)
"subject to a quorum of a majority of outstanding Class A common stock"

Class F voting power not diluted = will not be impacted by future issuances of our capital stock count (post-offering)
"The voting power of our Class F common stock will not be impacted by future issuances of our capital stock"

controlled company status = controlled company within the meaning of the Nasdaq Global Select Market corporate governance requirements count (current)
"We are considered a controlled company within the meaning of the Nasdaq Global Select Market corporate governance requirements"

board majority independent = a majority of independent directors count (current)
"Our board of directors currently consists of a majority of independent directors and our audit and compensation committees currently consist entirely of independent directors"

audit and compensation committees independent = entirely of independent directors count (current)
"our audit and compensation committees currently consist entirely of independent directors"

NGC exemption = we do not expect to rely on this exemption except with respect to our NGC count (current)
"we do not expect to rely on this exemption except with respect to our NGC, which will not consist entirely of independent directors"

LTBT and Founder LLC elect all directors = the LTBT and the Founder LLC will have the ability to elect all members of our board of directors count (post-offering)
"Collectively, the LTBT and the Founder LLC will have the ability to elect all members of our board of directors"

no limit on director terms = no limit to the number of terms a director may serve count (current)
"Regardless of the class or classes of stock by which a director is elected, there is no limit to the number of terms a director may serve"

Class T sunset not subject to extension = not subject to extension, delay or waiver count (post-offering)
"The Class T Sunset Time, once triggered, is not subject to extension, delay or waiver"

Class F sunset not subject to extension = not subject to extension, delay or waiver count (post-offering)
"The Class F Sunset Time, once triggered, is not subject to extension, delay or waiver"

Class F removal incapacity physician = a qualified physician jointly selected by the affected Continuing Founder and a majority of the other Continuing Founders count (post-offering)
"require determination by a qualified physician jointly selected by the affected Continuing Founder and a majority of the other Continuing Founders"

Class F removal cause Supermajority = an affirmative determination by a Supermajority of the other Continuing Founders count (post-offering)
"Removals due to cause require an affirmative determination by a Supermajority of the other Continuing Founders"

Class F removal notice = prior written notice from the Founder LLC by action of a majority of the other Continuing Founders count (post-offering)
"require prior written notice from the Founder LLC by action of a majority of the other Continuing Founders"

Class F successor member admission during transition = one or more successor members may be admitted to the Founder LLC during the Class F Transition Period count (post-offering)
"one or more successor members may be admitted to the Founder LLC during the Class F Transition Period as needed to ensure that there are three Continuing Founders"

Class F successor admission does not cure = will not cure the event that commenced the Class F Transition Period or extend the Class F Transition Period count (post-offering)

“The admission of any successor member during the Class F Transition Period will not cure the event that commenced the Class F Transition Period or extend the Class F Transition Period”

Class F automatic removals = occur automatically without any determination by any other person count (post-offering)
“Removals due to resignation, death, or the occurrence of the tenth anniversary of the completion of this offering occur automatically without any determination by any other person”

Class F successor member counts toward three = will count toward the three Continuing Founders required to avoid triggering the Class F Transition Period count (post-offering)
“will count toward the three Continuing Founders required to avoid triggering the Class F Transition Period until the tenth anniversary of the completion of this offering”

Class F successor member prior to transition = admitted to the Founder LLC prior to the commencement of the Class F Transition Period count (post-offering)
“with respect to any successor member admitted to the Founder LLC prior to the commencement of the Class F Transition Period”

Class F successor member during transition excluded = other than a successor member who is a member during the Class F Transition Period count (post-offering)
“other than a successor member who is a member during the Class F Transition Period”

Class F removal for cause cure = to cure the basis for such removal count (post-offering)
“or, in the case of specified categories of cause, to cure the basis for such removal”

Class F removal contest right = subject to the affected Continuing Founders right to contest such determination count (post-offering)
“subject to the affected Continuing Founders right to contest such determination or, in the case of specified categories of cause”

Class F wrongful imprisonment determination = determination by a Supermajority of the other Continuing Founders (in the case of wrongful imprisonment, unlawful detention, or captivity or restraint) count (post-offering)
“or determination by a Supermajority of the other Continuing Founders (in the case of wrongful imprisonment, unlawful detention, or captivity or restraint)”

Class F physical or mental impairment = in the case of physical or mental impairment count (post-offering)
“(in the case of physical or mental impairment) or determination by a Supermajority of the other Continuing Founders”

Class F removal due to minimum ownership threshold = the failure to maintain the minimum ownership threshold count (post-offering)
“Removals due to incapacity, cause or the failure to maintain the minimum ownership threshold require prior written notice”

Class F successor member death or incapacity = removed due to death or incapacity during the first ten years count (post-offering)
“If a Continuing Founder is removed due to death or incapacity during the first ten years following the completion of this offering”

Class F successor member admission = a successor member may be admitted to the Founder LLC count (post-offering)
“a successor member may be admitted to the Founder LLC and will count toward the three Continuing Founders”

Class F successor member until tenth anniversary = until the tenth anniversary of the completion of this offering years (post-offering)
“until the tenth anniversary of the completion of this offering”

Class F successor member Non-Qualifying Member = not including any successor member who is a Non-Qualifying Member as defined in the Founder LLC Agreement count (post-offering)
“(not including any successor member who is a Non-Qualifying Member as defined in the Founder LLC Agreement)”

Class F successor member admission as needed = as needed to ensure that there are three Continuing Founders serving until completion of the Class F Transition Period count (post-offering)
“as needed to ensure that there are three Continuing Founders serving until completion of the Class F Transition Period”

Class F successor member admission not cure = will not cure the event that commenced the Class F Transition Period count (post-offering)
“will not cure the event that commenced the Class F Transition Period or extend the Class F Transition Period”

Class F successor member admission not extend = or extend the Class F Transition Period count (post-offering)
“or extend the Class F Transition Period”

Class F successor member admission during transition period = during the Class F Transition Period count (post-offering)
“one or more successor members may be admitted to the Founder LLC during the Class F Transition Period”

Class F successor member admission as needed to ensure three = to ensure that there are three Continuing Founders serving until completion of the Class F Transition Period count (post-offering)
“as needed to ensure that there are three Continuing Founders serving until completion of the Class F Transition Period”

Class F successor member admission during transition period as needed = during the Class F Transition Period as needed count (post-offering)
“may be admitted to the Founder LLC during the Class F Transition Period as needed to ensure that there are three Continuing Founders”

Class F successor member admission during transition period not cure = during the Class F Transition Period will not cure the event count (post-offering)
“The admission of any successor member during the Class F Transition Period will not cure the event that commenced the Class F Transition Period”

Class F successor member admission during transition period not extend = or extend the Class F Transition Period count (post-offering)
“will not cure the event that commenced the Class F Transition Period or extend the Class F Transition Period”

Class F successor member admission during transition period for additional information = For additional information, see the section titled Description of Capital Stock count (post-offering)
“For additional information, see the section titled Description of Capital Stock”

Class F successor member admission during transition period reference = see the section titled Description of Capital Stock count (post-offering)

“quarterly financial results (which for this purpose does not include flash numbers or preliminary, partial earnings) for the fiscal quarter ending March 31, 2027”

company lock-up end - 180th day = 180th days (offering)
“immediately after the close of the trading day on the 180th day after the date of this prospectus (the 180th Day)”

lock-up holders fully diluted threshold = 0.5% % (offering)
“certain stockholders holding more than 0.5% of our fully diluted shares prior to this offering have executed lock-up agreements”

lock-up holders fully diluted share percentage = **[BLANK]** % (offering)
“The holders that executed lock-up agreements held approximately % of our fully diluted shares immediately prior to this offering”

founder notice period = three business days count (offering)
“such founder may publicly announce such action, activity, transaction, or arrangement upon three business days prior written notice”

non-founder director/officer early release 1 = 10% % (offering)
“up to 10% of the aggregate number of lock-up securities held by such lock-up parties as of the last day of the month”

non-founder director/officer early release 2 = 35% % (FY2026)
“up to an additional 35% of lock-up securities held by such lock-up parties as of the last day of the month preceding”

FY26 earnings release reference = December 31, 2026 count (FY2026)
“quarterly financial results (which for this purpose does not include flash numbers or preliminary, partial earnings) for the fiscal year ending December 31, 2026”

certain stockholders early release 1 = 27, 48, 6% % (offering)
“dates that are 27 and 48 days, respectively, after the date of this prospectus, up to 6% of the aggregate number of lock-up securities”

certain stockholders early release 2 = 62, 76, 7% % (offering)
“dates that are 62 and 76 days, respectively, after the date of this prospectus, up to an additional 7% of the aggregate number”

certain stockholders early release 3 = 12.5% % (FY2026)
“following the FY26 Earnings Release Date, up to an additional 12.5% of the aggregate number of lock-up securities”

certain stockholders early release 4 = 13, 27, 41, 55, 69, 9.5% % (FY2026)
“dates that are 13, 27, 41, 55, and 69 days, respectively, after the FY26 Earnings Release Date, up to an additional 9.5%”

stockholders >0.5% lock-up end day = 365th days (offering)
“immediately after the close of the trading day on the 365th day after the date of this prospectus”

>0.5% holders release 1 = 27, 48, 1.8% % (offering)
“dates that are 27 and 48 days, respectively, after the date of this prospectus, up to 1.8% of the aggregate number of lock-up securities”

>0.5% holders release 2 = 62, 76, 2.1% % (offering)
“dates that are 62 and 76 days, respectively, after the date of this prospectus, up to an additional 2.1% of the aggregate number”

>0.5% holders release 3 = 3.75% % (FY2026)
“following the FY26 Earnings Release Date, up to an additional 3.75% of the aggregate number of lock-up securities”

>0.5% holders release 4 = 13, 27, 41, 55, 69, 2.85% % (FY2026)
“dates that are 13, 27, 41, 55, and 69 days, respectively, after the FY26 Earnings Release Date, up to an additional 2.85%”

>0.5% holders release 5 = 180th, 4.2% % (offering)
“immediately after the close of the trading day on the 180th Day, up to an additional 4.2% of the aggregate number”

>0.5% holders release 6 = 34, 48, 62, 76, 5.6% % (Q1'27)
“dates that are 34, 48, 62, and 76 days, respectively, after the Q1 Earnings Release Date, up to an additional 5.6%”

>0.5% holders release 7 = 7.0% % (Q2'27)
“fiscal quarter ending June 30, 2027 (the date of such public release, the Q2 Earnings Release Date), up to an additional 7.0%”

>0.5% holders release 8 = 27, 41, 55, 69, 83, 6.3% % (Q2'27)
“dates that are 27, 41, 55, 69, and 83 days, respectively, after the Q2 Earnings Release Date, up to an additional 6.3%”

founders lock-up end day = 365th days (offering)
“immediately after the close of the trading day on the 365th day after the date of this prospectus”

founder release percentage = 29% % (offering)
“each founder, together with any other signatories to such founders lock-up agreement, may Transfer up to 29% of the aggregate number”

our share of offering expenses = **[BLANK]** $M (offering)
“We estimate that our share of the total expenses of the offering, excluding underwriting discounts and commissions, will be approximately $.”

FINRA expense reimbursement cap = **[BLANK]** $M (offering)
“reimburse the underwriters for certain Financial Industry Regulatory Authority-related expenses incurred by them in connection with the offering in an amount up to $.”

EEA non-qualified investor limit = 150 count (offering)
“to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation)”

Israel addressed investors limit = 35 count (offering)
“the offer is made, distributed or directed to not more than 35 investors, subject to certain conditions (the Addressed Investors)”

Israel addressed investors total = 35 count (offering)
“may be offered to purchase securities in addition to the 35 Addressed Investors”

Malaysia transaction threshold = RM250,000 count (offering)
“the shares of Class A common stock may only be acquired at a consideration of not less than RM250,000”

Malaysia net personal assets threshold = RM3 million count (offering)
“an individual whose total net personal assets or total net joint assets with his or her spouse exceeds RM3 million”

Malaysia gross annual income threshold = RM300,000 count (offering)
“an individual who has a gross annual income exceeding RM300,000 (or its equivalent in foreign currencies) per annum”

Malaysia joint income threshold = RM400,000 count (offering)
“an individual who, jointly with his or her spouse, has a gross annual income of RM400,000”

Malaysia corporate net assets threshold = RM10 million count (offering)
“a corporation with total net assets exceeding RM10 million (or its equivalent in foreign currencies) based on the last audited accounts”

Malaysia partnership net assets threshold = RM10 million count (offering)
“a partnership with total net assets exceeding RM10 million (or its equivalent in foreign currencies)”

South Africa acquisition cost threshold = ZAR 1,000,000 count (offering)
“the total contemplated acquisition cost of the shares of Class A common stock, for any single addressee acting as a principal is equal to or greater than ZAR 1,000,000”

Wilson Sonsini ownership = less than 0.01% % (offering)
“directly or indirectly own less than 0.01% of our outstanding capital stock”

E&Y engagement date = October 30, 2025 count (2025)
“On October 30, 2025, we engaged Ernst Young LLP as our independent registered public accounting firm”

Grant Thornton letter date = October 26, 2026 count (2026)
“A copy of Grant Thornton LLPs letter, dated October 26, 2026, is filed as Exhibit 16.1”

audited periods - Grant Thornton = December 31, 2023, December 31, 2024 count (FY2023-FY2024)
“report of Grant Thornton LLP on our consolidated financial statements as of and for the years ended December 31, 2023 and December 31, 2024”

Advertising expenses FY2024 and FY2025 = $33 million and $147 million $M (FY2024)

“Advertising expenses were $33 million and $147 million for the years ended December31, 2024 and 2025, respectively”

Stock-based compensation expense FY2023-2025 = $29 million, $192 million, and $1.2 billion $M (FY2023)
“stock-based compensation expense of $29 million, $192 million, and $1.2 billion for the years ended December31, 2023, 2024, and 2025”

Stock-based compensation expense 6M 2025 and 2026 = $286 million and $2.2 billion $M (Q2'25)
“stock-based compensation expense of $286 million and $2.2 billion for the six months ended June 30, 2025 and 2026”

RSU service condition vesting period = four-year vesting period years (FY2025)
“The service condition for these awards is generally satisfied over a four-year vesting period”

RSU performance condition deadline = seventh anniversary of the grant date years (FY2025)
“on or before the seventh anniversary of the grant date, as further defined in such RSU agreements”

RSU forfeiture if performance condition not met = seven years years (FY2025)
“If the performance condition is not satisfied within seven years of the grant date, all unvested RSUs are forfeited”

Expected dividend yield = zero % (FY2025)
“The expected dividend yield is zero, as the Company has never declared or paid any dividends”

Subscription period = 12 months or less years (FY2025)
“revenue being recognized ratably over the subscription period, which is generally 12 months or less”

Payment terms = less than 60 days count (FY2025)
“Payment terms vary by customer and sales channel but are generally less than 60 days”

Company incorporation date = January 2021 count (FY2021)
“public benefit corporation (PBC) incorporated under Delaware law in January 2021”

CSP count prior to 2026 = three cloud service providers count (FY2025)
“Prior to 2026, the Company obtained substantially all of its compute infrastructure from three cloud service providers (CSPs)”

EY report date = June 1, 2026 count (FY2026)
“San Jose, California June 1, 2026, except for the effects of the stock split described in Note 1, which is as of September 30, 2026”

Grant Thornton report date = June 1, 2026 count (FY2026)
“San Francisco, California June 1, 2026 (except for the effects of the stock split described in Note 1, as to which the date is September 30, 2026)”
